

St. Clair County Community Resource Directory

This resource directory was developed by the St. Clair Community Service Coalition. The Coalition is a network of service providers in St Clair County composed of churches, service groups, and organizations, who assemble regularly for the purpose of identifying gaps in services, improving efficiency, and providing education opportunities to member agencies for the continual delivery of quality services. To inquire about membership, meeting dates, or request an agency be added to the directory email inquiry to stclaircoalition@gmail.com.

St. Clair County Extension Office - Kiosks

The Extension kiosks provide all a person needs to know about the county Extension office in one easy-to-access place. The Kiosk provides valuable newsletters and publications from the Extension. This information can be printed or sent via email. They are located at the St. Clair County Extension office in the Pell City Courthouse, Moody and Springville Libraries.

Charity Tracker is a fee based service that allows agencies to communicate their resource services and the services that their clients may be receiving amongst other agencies in the system. This information can be used for statistical data analysis for grant writing opportunities, to identify specific needs in the community and prevent duplication of services for both agency and clients. Each agency will have the ability to see what resources their client has previously obtained and note any specious concerns or additional needs for that client. The cost is \$20 per month and signup can be done through the Charity Tracker website. For any additional questions regarding local services, our area administrator for St. Clair county is Priscilla Wright at the First Baptist Church (205-338-9444).
